\*Data processing fees are not applied to:

- The authority of the State;
- The Court of Justice;
- Bailiff;
- The municipal government;
- Legal research and development institution governed by public for statutory public task.

Contractual customers need to pay a subscription fee of 9.58 € per each month( + value added tax) of the subscription in advance. The subscription fee includes the use of the e-Land Register, the e-Business Register, the Visualised Business Register and the European Business Register. *There will be no subscription fee for contractual partners starting from 1st of January 2023*

The prices and services are prescribed with Regulation No. 8 of the Minister of Justice from 22.01.2001 and with director's directive of Centre of Registers and Information Systems.  
The base of calculation of the fee

- According to Public Information Act § 25 section 6 the holder of information shall disclose the bases for calculation of the fee.
- Centre of Registers and Information Systems has determined that e-business register and e-land register fees charged for the re-use of information are calculated based on the principle that revenue must cover the costs of judicial administration policy field (e-File; e-State Gazette; Marital Property Register; Ship Register; Digital Case Files; Official Announcements, a.s.o).
- The total costs of 2015 in the field of judicial policy was 4 367 008,19 € and the revenue of e-land register and e-business register for the re-use of information was 3 137 669 €.
