The prices and services are prescribed with Regulation [No. 55](#) [2] of the Minister of Justice from 30.11.1998 and with director's directive of Centre of Registers and Information Systems.
 The bases of calculation of the fee

- Centre of Registers and Information Systems has determined that e-business register and e-land register fees charged for the re-use of information are calculated based on the principle that revenue must cover the costs of judicial administration policy field (e-File; e-State Gazette; Marital Property Register; Ship Register; Digital Case Files; Official Announcements, a.s.o).
